Scholastic Book Orders: Please use code L7BZV to order online by May 11th

ELA/Math

ELA- We will be reading *Now and Ben*. Students will focus on compare and contrast, using context clues and visualizing. This will be the last story covered in the Journey's anthology.

Math- We will be continuing to work on fractions. The students are learning how to partition shapes into equal shares and apply their ideas to further explore length measurement. They will also learn a new subtraction strategy based on place value and continue working with equal groups.
