Ms. Lee

welcome
Welcome to second grade! What an amazing journey we get to embark on together. There are so many projects and activities planned. I am so excited to see how much you will learn and grow. Moreover, I am looking forward to getting to know you and your family this year!

a little about me
This will be my fifth year teaching at PCR. Time flies!! Previously, I taught Kindergarten for three years in the San Fernando Valley. Prior to that I was a reading specialist at the Newport Mesa Unified School District working closely with grades one, two, and six. I completed my undergraduate studies at UCSD and I earned my Masters and teaching degree at UCI. Currently, I live in Norwalk with my family.
