# NOTES TO THE TEACHER

## - using this resource -

Friends,

Routinely changing the appearance of newsletters keeps families engaged and keeps them reading about our classrooms. It is so frustrating to spend the time creating a newsletter only to have families not read it! In this resource, you'll find 20 different newspaper templates to keep your classroom news fresh and interesting!

In this pack, I've included templates for each month of the school year (back to school, apples, Halloween, Thanksgiving, Christmas, snowman, snow, Valentine's Day, St. Patrick's Day, Read Across America Day, Earth Day, weather, Summer) as well as, 5 general templates that can be used at your discretion. I've also include 3 sample newsletters from my classroom.

Since the newsletters are in full-color and I love trees, I distribute my newsletter via email. I 'Save As' each newsletter as a PDF (click on 'File Type') to keep the newspaper elements from shifting. All newsletters can easily be printed on a black/white school copier (I do this to post outside our classroom, as well as, for families without an email address).

Below you will find some information, tricks, and tips for working with this pack. As I mention below, if you have ANY questions, please contact me. I am more than happy to speak with you. ☺

- Please print this entire document 'Fit to Page' or 'Scale to Fit Page' found on the 'Print Set-up' tab.
- The TEXT of each newsletter is editable. Due to copyright laws, the format and graphics are not. To accommodate for the needs of different classrooms, I have included 2-3 versions of each template.
- To use the same fonts as shown in my classroom samples, you'll want to download the following FREE fonts –
  - KG Fonts, Be Still and Know: [bit.ly/bestillandknowkg](http://bit.ly/bestillandknowkg)
  - Rowdy in Room 300, Rowdy Writing: [bit.ly/rowdywriting](http://bit.ly/rowdywriting)
  - DJB, This Font is Bold: [bit.ly/thisfontisbold](http://bit.ly/thisfontisbold)
- After you have downloaded these fonts, close this file and restart your computer. Then, when you re-open this file all the fonts should be visible to you!
- To edit the text, click on the text box. Then, select the text and type what you want in each box.

If you have any questions, please let me know via the Q&A Section on TPT or by email at [brownbagteacher@gmail.com](mailto:brownbagteacher@gmail.com). For a detailed picture of what's included, please download the free preview.

## Must-Know-Words

know push done  
wait visit there

## Tidbits

Our class earned 100 snowballs last week for reading 2,000 minutes! This puts us in 1<sup>st</sup> place in the competition. There are still 3 weeks of reading left! ☺

See pictures from our Winter Break Challenge celebration and listen to the song our class wrote in music on our class blog.

If you would like a math workbook, please let me know and I am happy to send one home.

## Our Learning

**Reading:** fact vs. opinion; words with -er, -ir, -ur; what can be learned from a graph or chart in a nonfiction book

**Math:** how to solve different types of word problems (part/part/whole, comparing, find the difference)

**Theme:** This week we will be learning about polar bears and penguins, as well as, doing a hands-on experiment Friday!

## Practicing at Home

As you read 20 minutes each night, search for -er, ir, and -ur words!

- Practice reading and using our Must-Know words each night.
- (see above words)

- Spend 20 minutes practicing Common-Core math skills on DreamBox.

## Dates to Remember

|               |  |
|---------------|--|
| 03/25         | Please send your child with a hooded jacket/rain jacket (If it rains without storming, we're going outside to study the rain.) |
| 03/26         | Ms. W Out for STLP   |
| 03/31         | Report Cards go home   |
| 04/03         | Please send your child in a white t-shirt for a special learning activity  |
| 04/20 - 04/24 | Kinder. Registration   |
| 05/27         | Field Day  |

## Must-Know-Words

along behind toward  
eyes never pulling

## Tidbits

Thank you to all the families that came to the March Madness Basketball Game!

Our class is trying to win a Donut Party in March. The class that brings in the most Box Tops will be rewarded with donuts!

Look on our class website for a learning update (under the 'BLOG' tab), as well as, pictures of our learning (under the 'Photos' tab). You'll see pictures from our dentist visit, March Madness, and a science experiment.

## Our Learning

**Reading:** character/setting/plot of a story (writing story summaries); words with ou/ow; synonyms)

**Math:** comparing numbers using place value (greater than, less than, equal to)

**Science:** all about weather (we will be conducting science experiments throughout the week)

**Writing:** how-to procedural writing

## Practicing at Home

As you read 20 minutes each night, search for ou/ow words!

- Practice reading and using our Must-Know words each night.
- Spend 10 minutes 2 evenings practicing math with SumDog.
- (see above words)
- 

# Our 1<sup>st</sup> Grade Classroom News

| May 5 <sup>th</sup>                       | Kindergarten Readiness Night |

## Must-Know Words

through however because  
additional ahead

## Reminders

Please keep collecting Box Tops! Our school has collected enough tops to purchase several iPads.

We use headphones everyday for Lexia and DreamBox.

Please check with your child to see if his/her headphones are working. Thank you!

Over the next few weeks, I will be re-benchmarking all students for their reading level and fluency rate.

## Our Learning

**Reading:** theme (the lesson the author teaches); words with ue/ui/ew; types of adjectives (size, comparison, texture, sound)

**Math:** double-digital addition that does not require regrouping (we will learn how to break apart numbers to add them. For example  $13 + 24$  is the same as  $10 + 20 + 3 + 4$ .)

**Writing:** This week we will be writing 'How To' pieces by giving step-by-step directions to a reader.

**Theme:** We are continuing our unit on insects as we begin our own insect research reports.

**Email:** [gracelee@lcusd.net](mailto:gracelee@lcusd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by September 15<sup>th</sup>

### Accelerated Reader

In Accelerated Reader, students have a reading goal for the month based on their reading range. During our library time, we assist students in choosing AR books that are within their reading range. Please encourage your child to make the transition to reading chapter books and to finish each book he/she begins in order to achieve their monthly goal.

### ELA/Math

**ELA-** This month, we will be reading "My Family," "Dogs," "Diary of a Spider," and "Teacher's Pets" in our Anthology. We will be working on the comprehension strategies Compare and Contrast, Author's Purpose, Cause and Effect and Story Structure. Also, we will continue to work on Narrative Writing.

**Math-** We have started our curriculum in the Everyday Math program. We are currently skip counting in various ways, using the number line, and learning about coins. We will be starting Unit 2 and learning about different strategies on how to solve addition and subtraction concepts.

### Science

We have been deep in our Plants Unit in Science. The students are having a wonderful time learning about the plant cycle and filling out their observation logs of the plants they have grown.

### Reminders

9/5: Labor Day (No School)

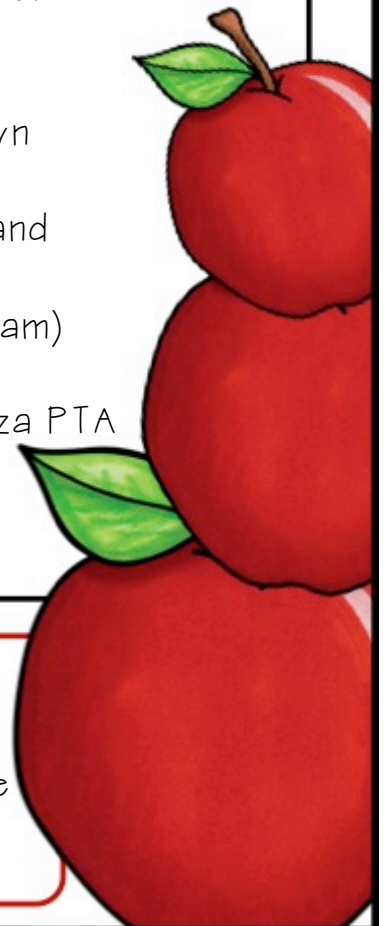

9/7: Picture Day (our class!)

9/15: Scholastic Book Order due

9/21: Lunch on Lawn

9/22: Spirit Rally and Collaboration Day (Dismissal @ 11:35am)

9/23: Fall-a-Palooza PTA Fundraiser

# Ms. Lee's 2<sup>nd</sup> Grade Classroom

October 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcsd.net](mailto:gracelee@lcsd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by October 13<sup>th</sup>

## ELA/Writing

This month we will be reading in our Anthology: *Animals Building Homes, The Ugly Vegetables, Super Storms, and How Chipmunk Got His Stripes*. We will be working on these comprehension strategies: text and graphic features, using context, drawing conclusions, story structure, main ideas and details, understanding characters, author's word choice and summarize.

## Math

We will be starting Unit 3 in our Everyday Math curriculum. Students will learn fact strategies to solve subtraction facts. In the Home Links book, please preview the material with your child, discussing related facts, fact families, "fact triangles" and the "function machine."

## Science

We are continuing our plant unit by studying the pumpkin life cycle. The students have been learning about pumpkins in many different ways so they can make their own pumpkin life cycle. We are excited and can't wait for you see them!

## Reminders

**October 13:** Scholastic Book Orders due

**October 20:** Shake Out

**October 20:** Picture Make Ups

**October 23-26:** Red Ribbon Week

**October 28:** Spirit Rally & Early Release (11:35 Dismissal)

**October 31:** Farmer's Breakfast

**November 4:** Father/Daughter Dance

November 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** gracelee@lcusd.net

**Scholastic Book Orders:** Please use code L7BZV to order online by November 10<sup>th</sup>

### ELA/Writing

This month we will be reading Click, Clack, Moo: Cows That Type, Ah, Music! and Schools Around the World. We will be working on the comprehension strategies: Drawing Conclusions, Text and Graphic Features, and Main Idea and Details. We will also continue to work on Narrative Writing and start our All About writing pieces.

### Math

We will be starting Unit 4 which will focus on place value and measurement. Topics will include telling time using analog and digital clocks and how to use A.M. and P.M. We will review comparing two numbers. Place value will also be used to explain a digit's position and value in a number. For example, the 5 in 52 is the tens place and has a value of 50. We will learn to estimate and measure using inches, centimeters and feet.

### Social Science

Our current unit is on Resources. Students have been learning about natural resources, working on the farm, and the difference between producers and consumers.

### Reminders

**November 6-9:** Conference Week (Early Dismissal @ 11:35)

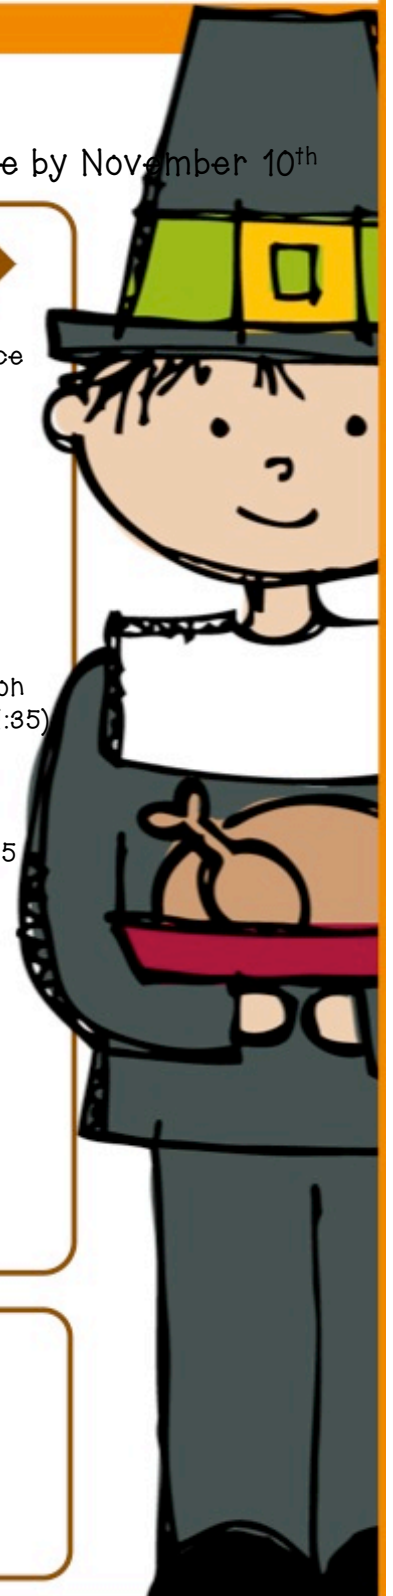

**November 10:** No school (Veteran's Day)

**November 10:** Scholastic Book Order due

**November 17:** Collaboration Day (Early Dismissal @ 11:35)

**November 17:** Thanksgiving Performance @ 11:00-11:35 a.m.

**November 20-24:** No school (Thanksgiving Break)

## 2<sup>nd</sup> Grade Classroom

December 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcsd.net](mailto:gracelee@lcsd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by January 12<sup>th</sup>

### ELA/Writing

This month we will be reading in our Anthology: *Schools Around the World*, *Helen Keller*, and *Officer Buckle and Gloria*. We will be working on the following comprehension strategies: Main Idea and Details, Author's Purpose, Summarization, Cause and Effect, and Monitor/Clarify. Also, we will be starting a new unit on non-fiction writing.

### Math

For the next month, we will review and extend money concepts, including making change. We will use tools like an open number line to record mental arithmetic skills in adding and subtracting two-digit numbers. We will also solve change-to-more (addition) and change-to-less (subtraction) number stories. Tools for solving these include change diagrams and parts-and-total diagrams

### Reminders

**December 8:** Fantasy Book Report due

**December 15:** Wrapped books for Book Exchange Due

**December 20:** Book Exchange, Winter Party @ 12:30pm

**December 21:** Collaboration Day, Spirit Rally (11:35 Dismissal)

**December 22:** No school- Teacher Work Day

**December 22-January 7:** No school (Winter Break)

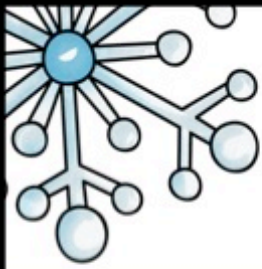

-----  
**Student of the Month:**

Tyler Moore- Gratitude  
Darron Kolanjian- Gratitude  
Leonardo Meis- Responsibility  
Leila Martin- Responsibility

### Social Science

In Social Studies we are learning about living in California and North America as well as recognizing some of the landforms that we may find here. In Science we are classifying animals by traits, learning about animal life cycles and learning all about what animals come from eggs. We will also discuss holidays in different countries.

## 2<sup>nd</sup> Grade Classroom

January 2018

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcsd.net](mailto:gracelee@lcsd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by January 19<sup>th</sup>

### ELA/Writing

This month we will be reading in our Anthology: *Mr. Tannen's Tie Trouble*, *Luke Goes to Bat*, and *My Name is Gabriella*. We will be working on the following comprehension strategies: Story structure, sequence of events, and understanding characters. Also, we will be continuing our unit on non-fiction writing covering the following topics: All About, Research, and How-to's.

### Reminders

January 15: No School (Martin Luther King Jr. Day)

January 19:  
Scholastic Book Orders Due

January 24: Ms. Lee out @ Math Training

January 26:  
Spirit Rally & Early Release (11:35 Dismissal)

-----  
Student of the Month  
(Caring):

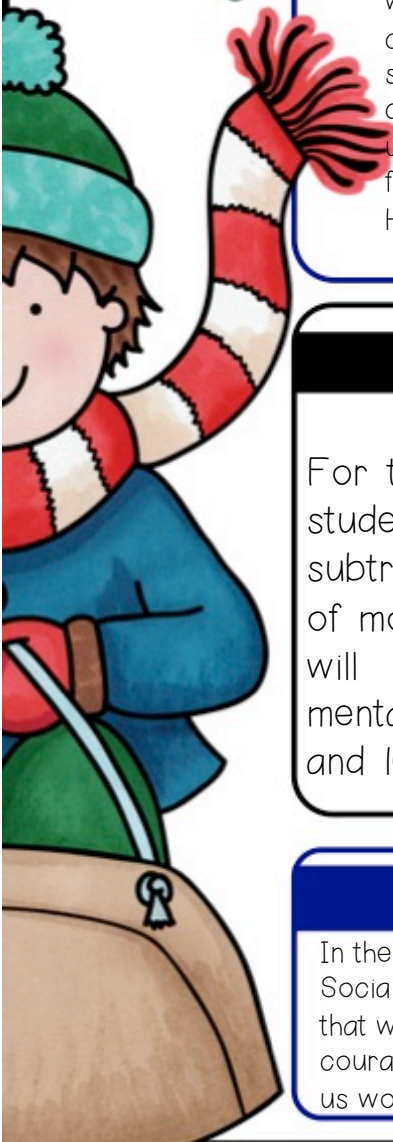

Eric Kim  
Clayton Rosen

### Math

For the next couple of weeks, the students will review addition and subtraction problems in the context of money and number stories. They will also learn strategies for mentally adding and subtracting 10 and 100.

### Social Science

In the next month we will begin our Science unit on rocks, minerals, and fossils. In Social Studies we will be recognizing famous inventors that have changed the way that we live today as well as individuals that have demonstrated strength and courage. We will learn more about Dr. Martin Luther King Jr. and his dream to see us work together in peace.

February 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcusd.net](mailto:gracelee@lcusd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by February 16<sup>th</sup>

## ELA/Writing

This month we will be reading in our Anthology: *Why Did the Dinosaurs Disappear?*, *Monster Tracks*, and *Let's Go Dinosaur Tracking*. We will be working on the following comprehension strategies: Classify & Categorize and Sequence. In grammar we will cover plural & singular nouns and adverbs. For vocabulary we will go over antonyms and analogies.

Also, we will be continuing our unit on non-fiction writing by researching our findings for our All About books.

## Math

For this month, we will collect and display data on picture and bar graphs. We will also solve comparison number stories and two-step number stories using change diagrams, part-and-total diagrams, and comparison diagrams. We will explore different strategies for addition, including partial-sums addition.

## Social Science

In the next month we will continue our Science unit on rocks, minerals, and fossils. Students will learn about how fossils are created and gather information on various rock forms. Additionally, in Social Studies we are learning about individuals who showed compassion, character, and courage. We are also exploring famous inventors and learning how their inventions changed our lives today.

## Reminders

**February 16:** Early Dismissal @11:35 (Collaboration Day)

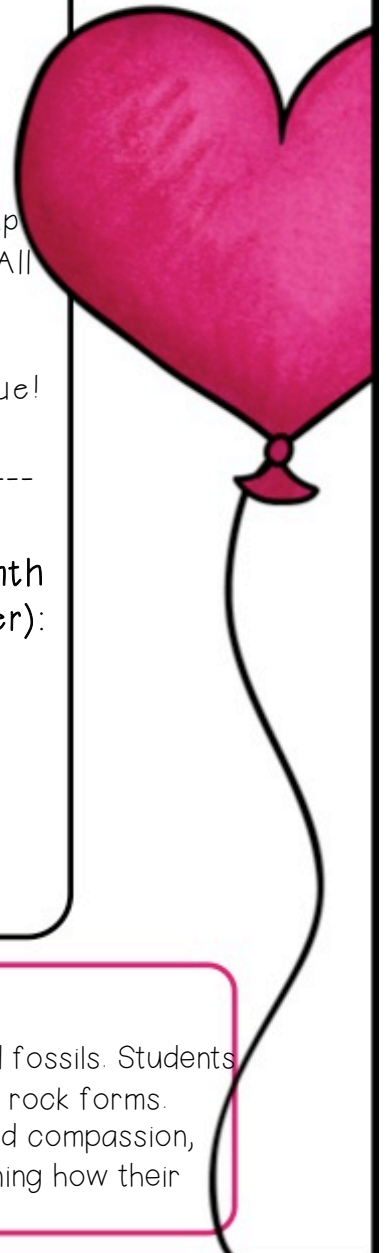

**February 17, 20:** No School

**February 24:** Field Trip (Lanterman Theater) All Day Birds

**March 3:** Famous American Timelines Due!

# Ms. Lee's 2<sup>nd</sup> Grade Classroom

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcusd.net](mailto:gracelee@lcusd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by March 18<sup>th</sup>

This month we will be reading in our Anthology: Dragons and Giants, A Hole in the Dike, A Picture Book of Martin Luther King, Jr. and The Empty Pot. We will be working on the following comprehension strategies: Cause & Effect, and Sequence. In grammar we will cover prefixes, commas, and capitalization.

Also, we will be continuing our unit on non-fiction writing by focusing on (How-to's). Then we will focus on Fictional Narratives (fantasy).

For this month, we will finish up three digit addition and subtraction with regrouping. Following this unit we will go into arrays which will be an introduction to multiplication. Afterwards, students will learn about measurements covering inches and centimeters.

We will continue our Science unit on rocks, minerals, and fossils. Students will apply their knowledge about paleontologists and the previous fossil unit by researching and gathering information on a dinosaur. In Social Studies, students will continue to exploring famous inventors and learning how their inventions changed our lives today. Additionally, students will continue their world travel exploring various countries and their cultures.

March 7, 14: Ms. Lee  
@ Science Training

March 18: Early  
Dismissal @11:35  
(Spirit Rally &  
Collaboration Day)

March 21-28: No  
School (Spring  
Break)

## ELA/Writing

This month we will be reading in our Anthology: Dragons and Giants, A Hole in the Dike, A Picture Book of Martin Luther King, Jr. and The Empty Pot. We will be working on the following comprehension strategies: Cause & Effect, and Sequence. In grammar we will cover prefixes, commas, and capitalization.

Also, we will be continuing our unit on non-fiction writing by focusing on our All About books.

## Math

For this month, the students will further explore addition and subtraction strategies and use them to add three or more numbers. They will also use units of yards and meters to measure distances. At the end of the unit, they will learn to collect data and display it in a frequency table and a line plot.

## Social Science

We will continue our Science unit on rocks, minerals, and fossils. Students will apply their knowledge about paleontologists and the previous fossil unit by researching and gathering information on a dinosaur. In Social Studies, students will continue to explore famous inventors and learning how their inventions changed our lives today. Additionally, students will continue their world travel exploring various countries and their cultures.

## Reminders

March 15: Spring Pictures

March 17: Fieldtrip (iMAX and Natural History Museum)

March 24: Early Dismissal @ 11:35 (Collaboration Day)

March 27-31: No School (Spring Break)

# Ms. Lee's

## 2<sup>nd</sup> Grade Classroom

April 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcsd.net](mailto:gracelee@lcsd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by April 15<sup>th</sup>

### ELA/Writing

This month we will be reading in our Anthology: Brave as a Mountain Lion, The First Americans, and The Story of the Statue of Liberty. We will be working on the comprehension strategy, Author's Purpose. In grammar, we will cover prefixes and homophones.

Also, we will start our unit Fictional Narratives. Students will focus on developing characters, setting, events, problem and solution. They will utilize descriptive language and the use of dialogue throughout their writing.

### Math

In Unit 8, students will explore 2- and 3-dimensional shapes and their attributes. They will partition rectangles into rows and columns of same-size squares. Also, they will explore strategies for determining the total number of objects in equal groups and rectangular arrays.

### Social Science

This month in Social Studies we will be learning about families now and long ago. Students will have the opportunity to trace their own family history by creating a family tree. We will also be looking at how life was long ago and how it has changed today.

### Reminders

April 19: Music Concert @ 9:45

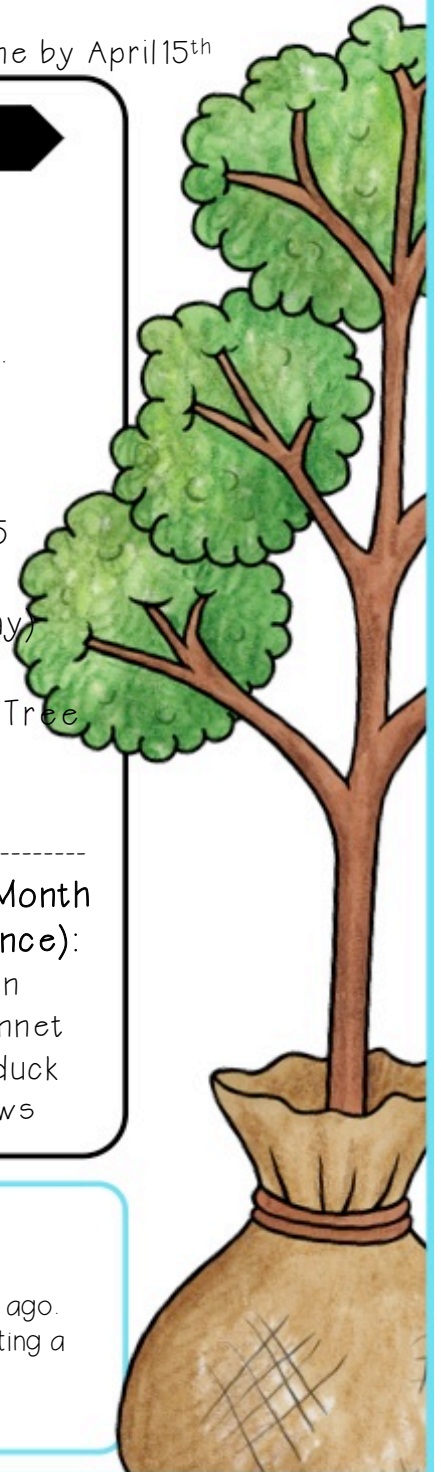

April 20: Junie B. Jones Field Trip

April 21: Early Dismissal @ 11:35 (Spirit Rally & Collaboration Day)

April 28: Family Tree Project Due

# MRS. GASKA'S CLASS NEWSLETTER

MAY 2015

Email: [pgaska@lcusd.net](mailto:pgaska@lcusd.net) Website: [pcr28gaska.weebly.com](http://pcr28gaska.weebly.com)

## Open House

Mark your calendars for our Open House on Thursday, May 14<sup>th</sup>! The students have been working hard creating beautiful and insightful projects to share with you on Open House. We are busily working to finish and can't wait to show you!

## ELA/MATH

Math- We are finishing up our last Math unit of the year on utilizing and drawing scaled graphs and line plots, as well as measuring length to the nearest  $\frac{1}{4}$  inch. The students are also applying their Math knowledge to complete some real-world Open House projects.

Language Arts- We are also finishing our last core literature selection of the year, Charlotte's Web by E.B. White. We have been busy exploring examples of friendship and focusing in on literary features.

## Science/Social Studies

We are thrilled to start off La Canada History with a bang by visiting the Lanterman House on Tuesday. We are now busy reading about the history of La Canada and creating a cumulative project sharing what we've learned and contrasting it to what our lives are like now.

## Reminders

May 8<sup>th</sup>- Spring Concert

May 14<sup>th</sup>- Open House  
(11:35 Dismissal)

May 25<sup>th</sup>- No School  
(Memorial Day)

May 29<sup>th</sup>- Last Day of  
School

## STUDENT OF THE MONTH

Room 28 wants to congratulate Celine, David, and Aidan. They have earned this reward by displaying the aspects of Courtesy to their teachers and peers. CONGRATULATIONS!! WE ARE VERY PROUD!!

# Ms. Lee's 2<sup>nd</sup> Grade Classroom

May 2017

**Website:** <http://secondgraderoom9.weebly.com/>

**Email:** [gracelee@lcsd.net](mailto:gracelee@lcsd.net)

**Scholastic Book Orders:** Please use code L7BZV to order online by May 12<sup>th</sup>

## ELA/Math

**ELA-** We will be reading *Ramona Quimby Age 8* as a class. We will be focusing on different strategies that the students have learned this year. Reading this book as a class will get the students feet wet since third grade focuses on many core literature books.

**Math-** We will be continuing to work on fractions. The students are learning how to partition shapes into equal shares and apply their ideas to further explore length measurement. They will also learn a new subtraction strategy based on place value and continue working with equal groups.

## Open House

Mark your calendars for Open House on Thursday, May 11<sup>th</sup>! Please visit our classroom with your child at 6:30pm. The students have been working hard creating beautiful and insightful projects to share with you on Open House. We are busily working to finish and can't wait to show you!

## No Homework/Spelling

The last homework will be due Friday, May 5<sup>th</sup>. Keep on the look out for review sheets that will be sent home on an as needed basis. Additionally, use the time to practice the script for our Celebrate America Performance.

## Reminders

**May 11:** Early Dismissal @ 11:35 and Open House @ 6:30pm

**May 12:** Last Scholastic Book Order

**May 26:** Celebrate America Room 9 Concert @ 10:30 & Collaboration Day (Early Dismissal @ 11:35)

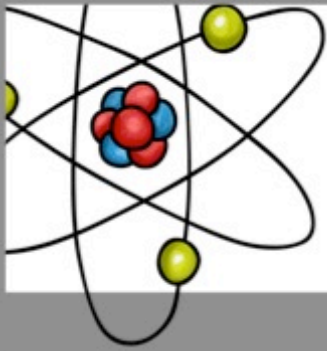

**May 29:** No School (Memorial Day)

**May 30:** Fieldtrip to Long Beach Aquarium (All day birds)

**June 2:** Last day of school (Early Dismissal @ 11:35)

-----  
**Student of the Month  
(POSITIVE CONTRIBUTION):**

Sophie Mizukami  
Chase Regan  
Ella Nielsen
